

Dohrn Transfer is proud to announce **ELECTRONIC DELIVERY RECEIPTS**

Technology is capable of improving processes to drive efficiency and is important to moving the logistics industry forward.

Dohrn is making the right investments to give you the tools you need to be more efficient, gain visibility and ultimately digitize your supply chain!

Take the next step and use electronic delivery receipts to digitize your supply chain!

dohrn.com

BENEFITS

Reduce Paper Waste

At 5,000 shipments a day, we could keep 1.3 million pieces of paper a day out of the landfill.

Minimize The Spread Of The Virus

By not passing paper between people, we're minimizing the spread of germs.

Visibility

Gain instant access online to who signed and how.

Reducing Errors & Less Lost Delivery Receipts

Electronic Delivery Receipts are instantly tied to the shipment, reducing the chance for errors and misplaced paper receipts.

Improve Efficiency For Shippers & Logistics Companies

Close the transaction quicker and invoice your customers a day sooner.

NEED A COPY OF YOUR DELIVERY RECEIPT?

If you're the paying customer, the delivery receipt is linked to your account and you can view the document in your portal within 5 minutes of the electronic signature.

2 ways for the consignee to receive a copy of the delivery receipt:

1. Please email POD@dohrn.com and request it.
2. The driver can enter the consignee's email on the spot into his/her tablet and it will be emailed instantly to the person.
